

Thank you for visiting our website! Your visit to the website is very much appreciated and we look forward to meeting you at the JL Bar Ranch, Resort & Spa in the near future.

In order to provide our customers with superior service and all of our guests and staff with a clean and healthy environment during this period of COVID-19, effective July 1, 2020 through December 31, 2020 we will be closing the Resort after Sunday brunch through Tuesday night of each week. During this period, we will not have overnight stays from Sunday night through Tuesday night.

We are ready to provide you with an unforgettable experience and exceed your expectations from Wednesday check in through Sunday brunch. Whether you and your family want to hike, bicycle ride, horseback ride, ride ATVs, shoot skeet or archery, or just relax by the pool, we have over 12,000 acres for you to enjoy with luxurious accommodations.

We appreciate your patience as we all recover from this COVID-19 pandemic that has impacted everyone's way of life.

We are proud of our property and the service that our dedicated staff strives to provide our guests. We look forward to seeing you soon at the JL Bar Ranch, Resort & Spa and Airport!

Best Wishes,

James & Lois Archer
