Regional Tender Portal

What is the Regional Tender Portal (RTP)?
The RTP is an easy-to-access, online gateway linking contractors and service providers to tender and procurement opportunities across our Blue Pacific! Sole traders? SMEs? Multinationals? Businesses searching for national and regional tenders throughout the Pacific now have a smarter way to find out what’s on offer.

Why use the Regional Tender Portal?
- Updates are current, in real time
- Something for everyone - diverse tenders covering our 18 members, and the Pacific agencies that serve them.
- Easy to search, link and apply
- No costs or user fees

Simply click on the link below to see all current tenders:
