

MINOR WAIVER AND RELEASE

THIS IS A VOLUNTARY RELEASE OF LIABILITY ON BEHALF OF YOUR CHILD. IT IS ALSO A BINDING ASSUMPTION OF RISK AND INDEMNITY CONTRACT. ADDITIONAL INDEMNIFICATION Provision: This is in addition to the release and waiver contained in the Participant/Auditor Release and applies to your minor child.

I knowingly and voluntarily agree to indemnify and hold harmless the Releasees (as defined in the General Waiver and Release, incorporated by reference herein) for all actions, causes of actions, suits and any and all claims, demands and liabilities whatsoever, both in law and equity, which result from Releasees' ordinary negligence, and which result from the participation of my child (named below) in activities at Follow Your Dreams Farm. The terms hereof shall be binding on my executors, heirs, administrator, and assigns, and shall serve as an assumption of risk and general release for all members of my family including my minor child participating in any such activities.

Whereas the Participant is a minor, under the age of eighteen (18) years, the signatures of both parents/guardians are required below as well as the signature of the Minor. If only one parent/guardian signature is provided, that parent/guardian: (1) warrants he/she has informed the other parent of this waiver and obtained his/her consent; (2) hereby releases Follow Your Dreams Farm, on behalf of both parents/guardians from any and all liability as stated herein; and (3) agrees to indemnify and hold the Releasees harmless from any causes of action that may arise under this agreement, absent the gross negligence of the Releasees. It is the responsibility of the undersigned parents/guardians to ensure the Minor understands and complies with the policies stated herein.

This waiver hereby incorporates by reference the following documents: _____
