Ask your local Hotsy dealer for more info.

Hotsy's Dirty Dozen - A Guide for Hotsy Top Soaps

Hotsy has an extensive detergent line-up that can often be overwhelming. Here's a helpful guide to choosing the best of the best.

#1 BREAKTHROUGH!

Hotsy's best all-purpose detergent

Highly concentrated with dilution ratio of 150 to 1. Whether removing grease or cleaning a finely painted automobile, Breakthrough! is the best all around "go to" detergent. Breakthrough's high foaming action attacks dead oxidized paint and can be used in hard and cold water applications.

#2 TRANSPORT VEHICLE WASH

Hotsy's most economical detergent for vehicles

If it has wheels, Transport is the detergent of choice. Autos, buses, motor homes, mobile homes, tractor trailers are just a few applications for this economical liquid detergent. Great when used as a pre-spray for engine compartment cleaning and safe on all painted surfaces, stainless steel, aluminum and glass.

#3 RIPPER 1

Hotsy's best heavy-duty degreaser

Ripper 1 is specially formulated for degreasing heavy equipment and hard to remove road film on tractor trailers, end loaders, excavators and back-hoes, yet still safe on painted surfaces. Non-caustic and user-friendly.

#4 HOTSY BROWN

Hotsy's best detergent for oil field cleaning

A degreasing detergent specially formulated for the oil field that also works great on oil soaked or stained surfaces such as, frames and equipment. A non-butyl based product that works good in cold water, Hotsy Brown is a caustic based product and should not be used on fine painted surfaces or magnesium, galvanized or aluminum.

#5 ALUMINUM BRIGHTENER

Hotsy's best selling aluminum brightening product

This highly concentrated acid with dilution ratios up to 20 to 1, attacks oxidized aluminum leaving a "like new" look to the surface after the initial application. Not to be used on new aluminum or aluminum that is not oxidized.

#6 VERDE ALL PURPOSE

#1 environmentally-friendly product for general purpose cleaning

A unique blend of environmentally preferred chemicals that provide great cleaning capabilities in all water conditions and all water temperatures. Superior foaming and fast-rinsing provide great results while saving money and the environment.

#7 SALT LICK

Ideal for removing salt and de-icing solution

Formulated to remove salt, calcium chloride and de-icing solution used on winter roads by breaking down the crystalline structure of ice melt products and prevents them from re-crystallizing so they can be washed away. Salt Lick is a dual-purpose concentrated detergent attacking heavy soils and road film.

#8 CARBOCHLOR

#1 choice for cleaning food preparation areas

A special emulsifying formula with high powered bleach for food processing plants. Excellent on tough odors, stains, dirt, oils and fats left behind on equipment, floors, and walls. NSF recognized for use in Federally Inspected food plants.

#9 CON-B-GONE

Removes green concrete from ready-mix trucks

A fast acting acidic product that when applied to ready mix trucks, forms and tools softens dried concrete splatter allowing it to be rinsed away with a hot or cold water pressure washer. Con-B-Gone's foaming formula makes application over large areas quick and easy. A Hotsy Foamer increases dwell time and maximizes end results!

#10 TUBMATE GENERAL PURPOSE

Heavy-duty automatic parts washer detergent

A phosphate-free, biodegradable, super-concentrated liquid. Works great with automatic detergent injectors; can be automatically metered into aqueous parts washers. Quick oil release and solvent free. Heavy duty rust and corrosion inhibitor package protects against flash rusting; defoamers reduce foam in your aqueous parts washer.

#11 FAT CAP BRICK, MASONRY & CONCRETE

Hotsy's easy-to-use liquid graffiti remover

The #1 alternative to sand blasting or painting over unsightly graffiti. Deep penetrating and fast acting for effective and thorough loosening of spray paint graffiti and easy removal of the graffiti from the surface being treated.

#12 CITRUS CLEAN

Our answer to "beefing up" the cleaning action of any Hotsy detergent

This citrus-based detergent additive increases any detergent's cleaning and degreasing power and is a great degreaser in its own right, plus it also enhances rinsing. Contains d-limonene which is a great "natural" degreaser.

Hotsy Command-O Waterless Hand Cleaner

8.704-634.0

A unique blend of natural citrus extract “Limonene,” Aloe Vera, Glycerine, and Lanolin, plus medication creates Hotsy COMMAND-O, the world’s #1 waterless hand cleaner. Hotsy COMMAND-O combats the toughest cleaning task including grease, ink, tar, paint, dirt and stains. The conditioning agents protect hands and prevent drying, chapping and cracking. Hotsy COMMAND-O is a vital product for mechanics, machinists, printers, painters, industrial workers, maintenance people, construction workers, and anyone else whose hands are exposed to harsh, dirty working conditions. DOES NOT Contain Petroleum-based solvents.

Empty 5-Gallon Pail

White Pail With Lid

Part No.	Description
8.720-138.0	5 gallon with lid

pH Test Strips / 100 pack

These strips provide a convenient method for accurate colorimetric pH indication — The strips feature covalently bound indicator dyes so that they will not bleed even in strong alkaline solutions. Strips can be immersed in samples for extended periods, so that even weakly buffered solutions can be accurately tested without contaminating the sample. The universal strip tests the full 0–14 pH range with a sensitivity of 1 pH unit. Intermediate range indicators provide a sensitivity of 0.3–0.5 pH units and narrow range strips provide a sensitivity of 0.2–0.3 pH units.
