

THE ORIGINAL

Botak Jones® 01/06/2021

**STILL DAMN GOOD
AUTHENTIC AMERICAN FOOD**

In the words of Sir Paul McCartney, it's been a "long and winding road". And after over 20 years of trying to provide what's "damn good" under different versions and, with Bernie unable to be "hands on", we might have lost our way a bit.

Finally, we're finally back where we started. So, we are sort of "back to the future", with renewed vigor and we've discovered that the original recipes and ingredients were the ones we felt were appreciated the most.

However, in typical Botak Jones fashion, we strive to provide damn good food at a damn good price, keeping in mind that the world around us has changed a lot since we started over 20 years ago and so have food costs. We know y'all have more choices available than ever before! So, damn good pricing might be relative to some of you, depending on what you might have to spend for identical quality, taste and portioning.

One thing hasn't changed at all, Botak Jones® will continue to try our best to provide a DAMN GOOD EXPERIENCE. It means REAL value for money. That's a promise from all of us.

SOUPS & FINGER STUFF

CHICKEN GUMBO

REG.\$3.50

LG.\$5.50

Close your eyes and imagine you are in the bayous of southern Louisiana. Hear the sounds and smell the beautiful scent of the exotic vegetation all around. You can get that same feeling from our Louisiana Chicken Gumbo. A hearty soup full of well stewed chicken, Cajun veggies and many spices. Three distinct processes are involved in making this beautiful soup. Ask for a free taste, taste is for in-house only.

MUSHROOM SOUP

REG.\$3.00

LG.\$4.50

Anything worth doing is worth doing well, or so you would think. We have great respect for all the food we prepare as well as these fresh Shitake mushrooms. Sliced bring out its broad flavor notes, then deglazed to capture every bit of flavor. Hey, this is one damn good soup y'all!

WHOOPASS® CHILI CON CARNE

REG.\$4.50

LG.\$6.50

My, oh my! Our arms hurt after making a pot full of our Whoopass® has everything but the beans! Sorry, to all of you bean lovers! Actually Chili Con Carne (KAR NI) Translates as chili with beef. Ours has real jalapeno chili (peppers), minced beef, tomatoes and spices. As is our intention of introducing new foods to y'all, free taste in-house if you haven't had it before. We so nice lah!

BAR-B-QUED CHICKEN WINGS

\$2.50ea. minimum 3 per order

Come in nice and tidy, leave sticky and happy. Our wings are char-grilled and basted with our own BBQ sauce to make you happier than a millionaire! They are messy! Messy is good by the way. Hand washing sink is in the back of the coffeeshop.

Exaggerations have become epidemic.

They went up by a million percent last year!

SALADS

Now what can ya say about salads? If you're my buddy Ivan Lim, probably a whole lot! Not being nearly as exquisitely erudite as he, I'll just do my best. All the salads come with your choice of 1000 island or vinaigrette dressings except for the Caesar, which comes with our own Caesar dressing, hence the name of the salad.

HOW'S SALAD?

\$4.50

A crunchy fresh salad combining iceberg lettuce, tomato, carrot, black olive, some onion and feta cheese. These are really fresh, the supplier brings us veggies fresh every day.

TUNA SALAD

\$7.00

Want a little protein with your veggies? An immodest dollop of tuna/mayo on top of the above mentioned How's Salad, which you already know about. If you forgot, reread the above description, there will be a short quiz after.

EGG SALAD

\$6.50

Okay. You want some protein in or on your salad but tuna isn't your thing. How about a dollop of egg/mayo instead. Everyone likes egg, right? Gee, I surely hope so...

CAESAR SALAD

\$5.50

In the immortal words of Mark Anthony, "What about Caesar?". Actually this salad wasn't named after a Roman Emperor but it was the name of the guy who first created it, or so the story goes, you know like Caesar Milan is to dogs, this other Caesar was to salad, got it? Romaine, croutons, our own Caesar dressing and Parmesan cheese. All Hail Caesar!

CAESAR CHICKEN or FISH (that's "OR" not "AND") \$9.00

That's right! You get either our sliced char-grilled Cajun chicken breast OR our flaky fried fish filet on top 'o your salad. My friend Roland Dnalo said, "This is a WONDERFUL salad." True!

FRIES

All of our fries are cooked in pure vegetable oil. This oil is pure, which means that it is NOT partially hydrogenated, which means no trans fats. No cholesterol either.

SPICY FRIES REG.\$3.50 LG.\$6.50 SUPERB\$9.50

Botak Jones has long been known for the taste of our fries. Dusted with salt and our own spice mix, they can be a bit habit forming. Should the thought of "spicy" leave you a bit nervous, you can order without the spice. We can do that!

CHEESE FRIES REG.\$5.00 LG.\$9.50

We don't use any cheese sauce for these authentic American Cheese Fries. We use a mixture of real cheddar and mozzarella cheeses. Real cheese flavor is incomparable to these artificial sauces you come across. Being real cheeses, they will solidify as they cool making them chewy and satisfying.

WHOOPASS® CHEESE FRIES \$12.50

A pretty large pile of cheese fries covered with our Whoopass® Con Carne. These are enough for a meal on their own or sharing with some very good friends, very, very good friends.

A guy was proudly showing off his new apartment to a couple of his friends late one night. He led the way to his bedroom where there was a big brass gong and a mallet.

"What's that big brass gong?" one of the guests asked. "It's not a gong. It's a talking clock," the man replied.

"A talking clock? Seriously?" asked his astonished friend. "Yup," replied the drunk.

"How's it work?" the friend asked, squinting at it. "Watch this" he replied. He picked up the mallet, gave the gong an ear-shattering pound, and stepped back. The three stood looking at one another for a moment. Suddenly, someone on the other side of the wall screamed, "You asshole, it's three-fifteen in the morning!"

BURGERS

Our burgers are handmade, fairly large and 100% beef. Outside of our own mixture of spices, there are no fillers or artificial flavor enhancers. Herman, an old businessman has been playing golf since his retirement and he's now 91. After a round of golf, he comes home complaining to his wife Esther, "I have to stop playing golf, my eyesight is so bad I can't follow the ball!"

Esther says, "Why don't you take my brother Moishe with you?"

"Moishe? He's 103!", Herman exclaims.

"But his eyesight is perfect." Counters Esther.

So the next day Herman takes Moishe golfing with him. After the first drive, Herman asks Moishe hopefully, "Did you see where the ball landed?"

"I sure did!" says Moishe.

"Where?" asks Herman.

Moishe answers, "I don't remember..."

**PLATES,
LIKE ENTREES, YEAH THAT'S IT,
ENTREES**

**ALL ENTREES COME WITH SPICY FRIES AND COLESLAW OR ANY TWO
OF THE "REGULAR" SIDE DISHES.**

FISH AND CHIPS REG. \$8.00 LG. \$15.00

We serve ya up fillets of nice and firm Premium White Basa after we season it, bread it with high quality Japanese bread crumbs and fry it in high quality vegetable oil. Nice and crispy on the outside and flakey inside.

CAJUN CHICKEN REG. \$7.50 LG. \$13.00

There must be something to this one. Could it be the way we marinate the chicken until it takes up the seasoning. Or maybe it's the way we char-grill it over a medium heat so the juices stay inside the meat. Maybe it's the mozzarella cheese that melts on top and the spicy Cajun Sauce. Maybe it's just everything done well enough together so that you are taken with the moist tenderness you thought you would never experience in a chicken breast. Maybe not, but I think so...

BLACK PEPPER CHICKEN REG. \$7.50 LG. \$13.00

Slightly different story. Don't you just love stories? Well, this chicken breast is marinated also, but with two different black pepper spices. It kinda tastes like the Black Pepper Crab that you get at Singapore seafood restaurants, but not exactly, because it's chicken lah! This comes with a very nice shitake pepper sauce.

B-B-Q CHICKEN REG. \$7.50 LG, \$13.00

Marinated chicken breast again but swathed with our barbeque sauce. Sticky spicy sweetness here.

LOTS OF CHICKEN PLATTER \$18.50

This is a real platter with each of our chicken entrees. Nice if you're hungry or nice to share if sharing is your thing. Go on...share.

A lot of preparation to get these to your plate. Even though we use prime steer grain fed quality ribeye.
