Essence Taylor

Essence Taylor has been a Therapeutic Manager with the Rite of Passage Arkansas Clinical Team at the Harrisburg and Mansfield Juvenile Detention Centers since July 2020. She is a Licensed Master Social Worker with a Masters in Social Work and offers significant outpatient and professional mentoring experience. During the pandemic, Ms. Taylor remains dedicated to ensuring our youth are receiving essential mental health counseling needed to decrease their anxiety level and to promote treatment. And so, this includes an 8-hour round-trip drive every week that she selflessly makes; ensuring she is on-site to provide vital individual and family therapy. Even during unprecedented times, her dedication to our youth guarantees they understand they are not alone. A big ROP Thank You to Ms. Taylor for the valuable services she provides to our youth.
