Mia Adkins

At Rite of Passage, our heroes never shy away from a challenge and Ridge View Academy Senior Coach Counselor Mia Adkins exemplifies this quality. Holding a BA in Interdisciplinary Studies with minors in both Spanish and Law, Coach Adkins has spent most of her career mentoring vulnerable and at-risk Colorado youth. A true pro at assisting youth in adopting critical self-confidence and self-awareness, Adkins has recently taken a lead role in supervising RVA youth assigned to medical isolation units. Selflessly and consistently promoting positivity while demonstrating approved safety guidelines, she maintains youth engagement and progress, even on her days off. We are proud to honor Coach Adkins and the positive momentum she sustains each day.
