Jim Nystrom

When it comes to dedication and being there for our student athletes, Jim Nystrom goes above and beyond. Nystrom started as a Coach Counselor at Sierra Sage more than seven years ago. Since then, he has worked his way up to Shift Supervisor, and he has held that position for the past year and a half.

One Wednesday morning, Nystrom showed up to work his shift. No one knew that, less than 24 hours later, the site would drop into an extended quarantine. To best serve our youth, Nystrom stayed on-site for 20 straight days and nights, assisting all shifts with programming continuity while ensuring student needs were being met. This caliber of dedication to our student athletes is one of the many reasons we are proud to call Shift Supervisor Nystrom our Hero!
