# CISA – CERTIFIED INFORMATION SYSTEMS AUDITOR

SaniSoft
information technologies

**Well Trained People,
Better Served Customers.**

# COURSE OVERVIEW

**CISA® is a trademark of the Information Systems Audit and Control Association® (ISACA®)**

**More than 60,000 security professionals hold CISA certification, which was awarded the "Best Professional Certification" for 2009 by SC Magazine. Global Knowledge was also recognized for the fourth year in a row as a finalist for the "Best Professional Training Program." Join the elite ranks of the CISA certified with the help of our CISA Prep training course. In this course, you'll cover all six domains of the Certified Information Systems Auditor (CISA) exam and gain the knowledge and technical concepts required to obtain CISA certification. Since its inception in 1978, the CISA exam has become the gold standard of excellence in IS auditing, control, and security. Our experts have created a study guide of relevant, up-to-date information, including summary charts, insightful data, and practice exams. Along with our custom course material, you will receive a free copy of Michael Gregg's CISA Exam Prep: Certified Information Systems Auditor, published by Que**

# DURATION: 40 HRS | EXAM CODE: CISAU
