

Callback List

Thank you to everyone who auditioned. As always, we are amazed by the amount of talent we have in Century Drama. Below is the callback list. Congratulations to all those who are called back. Most of the students listed below are called back for multiple roles so please take a close look. If you are not called back, that does not mean you are not in the show. You might be cast as a more minor role.

Please arrive for callbacks on Friday at 2:30pm. Grace Boyd will take attendance and hand out audition sides by character. Mr. Hewitt will give further instruction. The callback audition will begin at 3:15pm and go until it is finished. You may not leave until we dismiss you. There is no tentative end time. Our *goal* is 7pm. Be prepared to act and sing (a lot)!

Prepare the standard audition song for the character(s) you are called back for, but everyone should be prepared to sing "The World Will Know".

If you have any questions, please ask Mr. Hewitt lahewit@carrollk12.org
