CERTIFICATE OF COMPLIANCE

New York Blower confirms that our fans and blowers are compliant with the “Buy American” provision of the American Reconstruction and Reinvestment Act of 2009 (ARRA). Since 1889, nyb has been manufacturing quality American made industrial fans and ever since the inception on the ARRA act the following goods qualify under section 1605, Use of American Iron, Steel and Manufactured Goods:

- Axial Air Handling
- Centrifugal Air Handling
- Pressure Blowers
- High Capacity
- FRP Products
- Material Handling
- Radial Tip
- Process Components

The New York Blower Co. upon request can offer full material reports to meet any further documentation needs.
