Organization Overview
The People’s Music School is a 43-year old institution that has brought the transformative benefits of music to over 10,000 lives across Chicago. Our model is completely tuition-free. We serve kids ages 5-18 who otherwise would not be able to afford music education. Since music education has benefits that extend far beyond the artistic benefits, we view ourselves as an institution building future leaders. We build cognitive, academic, and social-emotional skills through an intense and rigorous curriculum. Our students learn with us for up to 12 hours per week and their families fulfill a significant volunteer time requirement. In the last 18 months, the school has grown 2x under new leadership composed of alumni from Bain & Company and A Better Chicago, and world-class experience from a newly energized Board of Directors. And we’re just getting started...
