### CANCELLATION POLICY

A deposit of \$375 is required to make a reservation. Full payment is due 60 days prior to departure. If you cancel your trip at least six weeks before the trip start date you will receive a full refund less \$375. Written cancellation is required, call to verify. You are welcome to find a qualified replacement, and receive a refund less \$100. We regret that we cannot make refund exceptions for personal emergencies or health problems. Once your reservation is confirmed, we lose the potential to sell that spot to someone else. **Because of this, we strongly recommend "trip cancellation/ trip interruption" insurance.** See our "schedule" page on our website and below for travel insurance references. Trip insurance is also good for unforeseen costs/delays in your travel. For example, all the hotels in Quito will expect you to pay for your room if your flight is delayed and you can't make it for the night of your reservation. Itineraries and trip prices are subject to change due to circumstances beyond our control. Trips may be canceled if required minimums are not met. **Normal minimum is 3 people. A trip maybe cancelled with less than 3 participants or a surcharge of \$400 may be added to keep the trip running.** (full refunds will be given for trips we cancel).
