

*"Share what you know,  
Learn what you don't."*

*Dedicated to providing computer information and assistance to computer users, IT professionals and small business owners.*

*User groups provide an opportunity to network with other computer users and IT professionals. We offer many Special Interest Groups (SIGs) that provide tips, tricks and answers to those elusive questions.*

*Non-members are always welcome to visit and participate in two SIG meetings without charge.*

**Meetings are 3<sup>rd</sup> Saturday  
of each month**

***Until COVID-19 concerns end,  
SIG meetings will be held via ZOOM or

## Monthly Meeting Schedule – Oct 17, 2020

*(Subsequent meeting: Nov 21, 2020)*

During the COVID-19 pandemic, monthly NTPCUG meetings are converting to online meetings only where feasible to do so.

At present, three SIG's and one **Special Presentation** plan to meet via ZOOM or Microsoft Teams on Saturday, Oct. 17<sup>th</sup>. **Pre-registration may be required for some presentations**, although very easy to do – just follow the instructions below.

### **Powershell – 8:00 am – 10 am**

PowerShell for October 17<sup>th</sup> will again be an online meeting -- a general "All Things Related to PowerShell" discussion starting at 8:30 AM. **Josh Miller** is hosting the meeting using **GoToMeeting**.

**To join the meeting**, please e-mail **Larry Weiss** using [lfw@airmail.net](mailto:lfw@airmail.net).

### **Making Money Online – 9:00 am**

For the October 17<sup>th</sup> meeting of the MMO SIG, **Howard Harkness** will be reviewing a new book on email marketing.

**If you wish to attend**, please notify **Howard** by email **ASAP** to receive a ZOOM meeting invite early Saturday morning.

### **Special Presentation – 10:00 to 11:00 am**

**How Technology Has Changed the Way We Listen To Music**, by **Ray Baxter**, *President, Payson Computer Meet-Up Club*

**Ray Baxter** will provide a review of our music listening habits during the last 65 years and a look at today's download and streaming offerings. From 78s to 45s, LPs, the 8-track tape, cassettes, the Walkman, Compact Discs, iPods and more – Ray will cover it all.

Ray considers himself an early Rock and Roll historian and has a digital collection of over 45,000 songs that began when he first started collecting records (most of which he still has) in his pre-teenage years. When living in California, he was the President of the Doo-Wop Society of Southern California, a non-profit organization that for almost 14 years produced live quarterly musical stage shows featuring vocal groups of the 1950s. (Ray's bio provided separately)

**To join Ray's ZOOM meeting**, please e-mail [SIGrequests@ntpcug.org](mailto:SIGrequests@ntpcug.org) with "**Special Presentation**" in the **Subject** line.

### **Internet – 11:00 am - Noon**

The Internet/Windows Inside-Out SIG, led by **Glynn Brooks**, will address the following topics as time permits:

- How Wi-Fi and cell phones work
- CloudReady computers
- Amazon Sidewalk
- What changed in Windows 10 version 2004 vs 1909

**If you haven't received a meeting invitation by EOD on Wednesday, Oct 14**, please e-mail [SIGrequests@ntpcug.org](mailto:SIGrequests@ntpcug.org) with "**Internet SIG**" in the **Subject** line.
