NOTES:

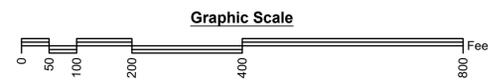

The base data/information/drawing used in creating this map is a tax map file obtained from the Columbia County Real Property Tax Service. That file is named New Lebanon 2019 SS and represents the tax mapping for the Town of New Lebanon as of the beginning of 2019.

Tax maps were prepared for reference only. They are not intended for use in the conveyance of land. Absolutely no accuracy or completeness guarantee is implied or intended.

This map has been created to visually show the Zoning Districts in the Town of New Lebanon, NY. The tax map parcels are shown by a thin light grey color line and are to be used only for locating vicinities.

The width/depth of the General Commercial (C), the Commercial-Recreational (C-Rec), and the Commercial-Industrial zones is 1,000 feet from the centerline of the roadway.

The width/depth of all other Zones is 500 feet from the centerline of the roadway.
