# Dorian

Our Son, Heart, Life

Dorian, was his given name, but we also, called him, (puppy) because of his sweet, puppy personality. Thank you, DRU, for giving us a puppy, raise, into such a great, loving dog. As Dorian was growing up, he brought so much happiness, laughter, life, and unconditional love to our home.

No matter how bad of day we had, he made coming home a joy, with tail wagging, and bringing his favorite toy, full of excitement, that we were finally home.

Rest in peace  
you will always be loved and missed.  
See you at the Rainbow Bridge  
Love Mom and Dad
