Ride Report for the Week of May 26

We have a new storage shed thanks to the hard work of Aurie Philipchuk, Terry Fannon, and Charles World. Storage locker costs were already reduced significantly in 2018. For 2019, the purchase of the storage shed will have a zero impact on the budget because of the elimination of the storage locker costs. In 2020 and thereafter, the club will save more than \$2,000/year as a result of the storage shed. If you need equipment for an EBTC trip, contact the Equipment Manager, ***Aurie Philipchuk***.

Edmonton - Air Quality Health Index

Air quality has become a potential concern over the last few days. Hourly updates are available **online**. Riders ultimately have the choice of whether to ride or not in any condition (i.e. heat, rain, smoke, etc.). Ride Leaders can decide whether to conduct a ride based on their judgement of conditions at the time.

Still one Opening for Selkirk Mountains Cycling Trip

A spot for a single female has come available on the Selkirk Mountain Trip June 29-July 9. If interested, please contact the ride leader, Ed Weymouth, immediately at ***steadeddie58@gmail.com*** or call/text 587.336.9947

Are you ready for the TdA?

Check out Don Marcotte's interview with ***Max Mayer***. Ride date for the ***25th TdA*** is Sunday, July 28. EBTC offers three Sunday rides to help you train for the TdA: ***West End Target the Tour***, ***Ardrossan Target the Tour***, and the ***Sunday Afternoon Rides***.
