Happy Mother's Day!

The EBTC Executive met virtually on Wednesday, May 6 to discuss how the club might move forward given the current COVID-19 situation. The consensus was that all EBTC rides and events scheduled for the 2020 season are cancelled ... with a caveat that rides might resume in September/October depending on future Alberta Government decisions in this regard. A newsletter will be published once every three weeks to keep members informed.

EBTC 2020 Memberships

There are 134 members who have purchased 2020 ***EBTC memberships***. These memberships will be valid for both the 2020 **and** 2021 seasons. If any of these 134 individuals wish a refund instead of the extended expiry date, please contact ***Larry Zelazo***. The deadline for requesting a refund is June 15, 2020.

RideWithGPS Maps

Many EBTC ride leaders and members use RideWithGPS to map and share their cycling routes. To access the club's RideWithGPS membership and maps, go to: ***<http://bikeclub.ca/ridewithgps-com>***
