# Cabinet Catalog

# Understanding Our Cabinet Guide

## **A few basics about cabinet dimensions:**

Wall cabinet widths and heights range from 9" to 42" and increase in 3 inch increments.

Base cabinets are 34.5" high and range in width from 9" to 42" increasing in 3 inch increments. each base cabinet has a toe kick area.

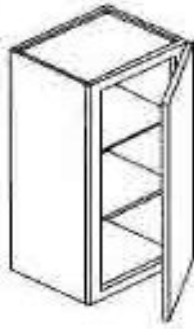

Tall cabinets are usually 84", 90", or 96" high, 24" deep and available in 18" 24" and 30" wide. They include a toe kick area.
