

CAKE DECORATING SUPERVISOR

Muffin Mam

JOB DESCRIPTION

The Muffin Mam Cake Decorating Supervisor is a creative person who has an extremely keen eye for detail. This person can easily demonstrate impressive manual dexterity and possesses the ability to effectively realize design goals. This supervisor communicates effectively with his/her team and oversees the design and decoration of a variety of cakes for various occasions. This critical teammate imagines creative designs to set the product apart from its competition, in addition to the more tactical tasks of preparing icing and other ingredients, helping baking cakes in preparation for decoration, and positively contributing to the overall operation in the Muffin Mam food production facility.

POSITION RESPONSIBILITIES

Effectively communicates to team members and leads by example

Keeps up-to-date with the latest trends in decorations and aesthetic appeal

Designs, prepares, and decorates cakes according to customer and Muffin Mam specifications

Cleans work area, washes equipment, and tools

Adheres to health and safety regulations by maintaining product freshness and sanitation

KNOWLEDGE, SKILLS, AND ABILITIES

Exhibits ability to use decorating tools such as combs, spatulas and modeling tools

Counts and performs simple math problems to follow recipes and scale them as needed

Demonstrates artistic ability

Executes on elaborate, attractive designs

Able to stand for long periods of time

Demonstrates above average manual dexterity (has a steady hand)

Completely capable and confident working on semi-automated cake decorating lines and has the ability to keep pace with production speed

DESIRED EXPERIENCE AND QUALIFICATIONS

1+ years of production experience as a cake decorator and a basic knowledge of decorating techniques

No educational prerequisite: however, must have demonstrated ability to read, comprehend, and record necessary information applicable to job

Bilingual (English and Spanish) proficiency and fluency is heavily preferred and highly sought after
