

Laser Guided Energy (LGE™)

Target Customer: Department of Defense

- ❖ **Demonstrated Effectiveness Over a Broad Range of Targets**
- ❖ **LGE Demonstrated Counter-Measures**
 - Human Effects: Non-Lethal to Lethal
 - Electronics (cell phones, computers, etc.)
 - Automobiles
 - Improvised Explosive Devices
 - Vehicle
 - Roadside - Buried
 - Suicide
 - Infra-structure
 - Buildings
 - Wired Communication Links
 - Electrical Grid
- ❖ **Companion Laser Capabilities**
 - Counter-Situational Awareness
 - Counter-Sensor/ Sniper
 - Remote Sensing for Bio / Chem / Explosives
 - Secondary Radiation Generation for Advanced Sensing and Imaging

LGE™ and the Companion Laser Addresses a Large Number of Future Warfare Needs

One Basic Technology
