To all our loyal patrons,

It is with great sadness that we will be closing our Lincoln Park location today at 4pm.

For those that already have orders placed through Saturday, we will produce your order for pick up on Friday, March 20 between 10am-2pm.

While we have always tried to be a beacon of joy and respite for our customers, the circumstances we are facing together as part of the community make us believe this is the right thing to do at this time. We are incredibly sorry and grateful to all of our customers that have supported us through the years. We hope to reopen as soon as things are stable.

In the meantime, our new location in Streeterville (254 E. Ontario, (312)255-1632) will continue to produce our delicious desserts with the same love, care, and effort that we have always put forth. The Streeterville location is part of Northwestern hospital, so it will remain open for the foreseeable future as a service to the heroic medical workers there. If you are in need of our old fashioned desserts, please call and/or order online from there. We will also be offering delivery from Streeterville in the next few days.

Thank you all so much for the loyal support. We look forward to coming together as a community to get through this terrible period, and can't wait to reconnect once we all overcome this situation.

We wish you all the best,

Sweet Mandy B's
