Ari,

If you only knew how much your photography meant to us. It was one of the best parts of that day and you captured the best parts! Although I felt horrible, your pictures did not show that at all. We wanted to write so much more but it would have turned into a novel. There is not enough thanks we can give you for the work you did. You have such great visions and we LOVED all the photographs. Our friends and family just keep raving about your photographs and the great work you did. All of our friends have been asking for your site. Thank you so much, we are more than happy with how everything turned out and how great you were to us. Thank you so much! If you need to us to write any more reviews or anything please let us know we are more than willing to help. Thanks again, we really appreciate it!

Ari,

Thank you so very much for being such an awesome photographer. I am flipping through the first DVD you sent me, and the pictures are great! I know that we had ordered a wedding album with our package, and I was curious if it was possible for me to give some input as to what some of my favorite pictures are and which ones I would for sure like in the album.

Let me know!

Hi Ari-

I felt so blessed on my wedding day, everything went so beautifully! Chris was so easy to work with (even in the sweltering heat!!), and he was absolutely wonderful when Rob wanted to get some pictures in the woods. I know some photographers would have complained but Chris just worked with Rob's idea to make it work. It really meant a lot to him.

Can't wait to see the pictures!

You two are absolutely great to work with. I will recommend you anytime I get a chance. It would most likely be Chicago work. Pack a bag and make it a mini working vacation! Ari and our photographer Chris D. provided excellent services, communication was quick and easy throughout the process. We met with Chris to see his work and it was fabulous. He listened to and remembered our preferences. All of the shots that were important to us were captured. We were so thrilled with the final product. All of our friends were amazed at how fast the photos were posted, the artistry of the images and the beauty of the proofs. I highly recommend Ari Rosenthal Photography

We absolutely love the work you did and are so pleased with all the fabulous pictures. SO many great ones to choose from. Have printed some, but still deciding what to put in an album vs. wall hangings/frames, etc. My mother has printed 'til her hearts desire, and I don't think she is done yet. She may run out of wall space at her house ☺

Again, thank you so much. We are recommending you to everyone we talk to that is planning a wedding.

Larry did a great job also! The video turned out amazing! Just received that this weekend, and it's like re-living the day. Both works are priceless. Thanks again! Take care.

Dear Ari,

Thank you so much for creating so beautiful a photo montage DVD. It was perfect. My parents loved it and it made their Diamond Wedding Anniversary party especially beautiful! Seeing photos of their lives on the screen set to music from their youth was very meaningful to them.

I appreciate your patience with my constantly changing instructions. Your creativity, the way the photos moved from one to the other, the rhythm and pace were perfect. If you ever need a reference, don't hesitate to call!

Warmly,  
Holly Russek (video montage)

Dear Ari,

Thank you for doing such a beautiful job capturing all of the special moments at Kim and Nathan's July 1<sup>st</sup> wedding. Kim was so excited when she received the DVD. The pictures are all beautiful. We can't even choose a favorite as one is more wonderful than the next. You are truly an artist behind the camera! We'd also like to thank you for all you did to keep everything calm, cool and collected before, during and after the ceremony. You went above and beyond for all of us!

Gratefully,  
Lynn & Carl Clausen, **Parents of the Bride**

Dear Ari,

Thank you for the fabulous job you did on our wedding photos. There are so many of them and it sure is nice to have the freedom to do what I want with them. You made our day very special.

Thanks,  
Dan & Maggie Mies, **Bride & Groom**

Ari,

I am so happy with the pictures! Thank you so much. I know you worked very hard and it was way too hot out there, but you were very professional and I learned a few things from you too. This past weekend I was in a wedding in Minnesota (one of my many bridesmaids got married) and her inexperienced photographer kept on asking her what she wanted shots of or where she wanted pictures taken. I had to tell the photographer what shots to take and where according to lighting! I owe it all to you and the bride was very happy I could help.

Thanks,  
Caitlin, **Bride**

---

You're awesome! Any help I can give let me know. I'll work a booth for you. Haha!  
—Leigh R.

Dear Ari:

You helped to make our wedding day as special and as amazingly wonderful as it was. We'll always have these great photographs to look back at and remember the day, so thank you again!

Thank you for being so personable and professional!

—Maria and Dave Draeger, **Bride & Groom**

I LOVE IT!!!!!! I was up until 3:00 am because I watched it three times. It's like Where' Waldo. Every time I watch I see different things. You did such a great job I am eternally grateful. I'm delighted to have a record of my own wedding. It's almost as though I wasn't even there the first time because the whole event is so surreal. Now I get to go back and see what everyone else was doing while we were posing for photos or talking to a couple people at a time. It makes really happy to know that our guests had so much fun at our wedding. You really captured the spirit of celebration. I can't wait to show Ben!! The first time through I will watch his face as he watches the video. I laughed and cried the first time through. All those nice things people said! And the hilarious antics the children were up to that I completely missed while it was all going on. Video genius! It's so much more than the still shots. I'm thrilled that we will have both. What a great day to relive through everyone's eyes. Thank you for helping me enjoy my own wedding even more than I did while it was happening!

—Francie Mallin, **Bride** (wedding video)
