

Descant Choir Re-auditions And PARENT SURVEY

Dear Parent and Singer,

What a wonderful year of singing for Descant Choir. We have seen tremendous growth in vocal technique and musicianship skills. We hope you are planning to return to CICC and continue on your musical journey of vocal development, friendship and building community spirit in the 2017-2018 Season.

PLACEMENT INFORMATION: Please complete the attached survey to help us in considering re-auditions and placement for the 2017-2018 season. Singers and families may find that Tuesday evening will continue to be the best evening for your family to participate in choir. Your singer may opt to remain in Descant Choir if Tuesday is the best night for your family.

Placement in Concert Choir is dependent upon audition scores, attendance at rehearsal and performances, classroom participation and behavior while in Descant Choir.

EDUCATION COMPONENT:

Descant choir: Is a mixture of beginning and intermediate singers in grades 4-6. Therefore, musicianship skills, theory, sight-reading and vocal technique development will continue, as in the past, to be geared toward the individual abilities of each singer. Music theory levels 1 and 2 materials are the basis of study in this choir. ICC/CICC has 4 levels of music theory in its mastery program.

Concert Choir: Is for upper intermediate and advance singers. The majority of these singers are in grades 6-9. Singers in this choir have demonstrated the ability to read music, sing harmony and sing with a refined bel canto vocal technique. Music theory levels 2 and 3 materials are the basis of study in this choir. Level #4 is for the most advanced singers and is coached on an individual basis by the CICC music staff.

Thank you for a great season! We look forward to working with you next year.
