United Way and the Mobile County Health Department (MCHD) are working together to provide assistance to individuals in Alabama who are facing hardship resulting from the need to isolate due to COVID-19.

If you’ve tested positive for, or been exposed to, COVID-19, and are required to quarantine, you may qualify for assistance that could help keep your family safe and make isolation easier for you.

By calling United Way’s 2-1-1 information and referral line, you can be screened to see if you may qualify for help in various ways, such as:

- Groceries/Food
- Personal Hygiene Supplies (e.g., soap, shampoo, tooth paste, toilet paper, etc.)
- Diapers and/or Baby Wipes
- COVID-19 Personal Protection Supplies (e.g., masks, hand sanitizer, etc.)
- COVID-19 Home Test Kit
- COVID-19 Testing (at health department or other facility)
- Childcare Services
- Cleaning Supplies (e.g., surface sprays and wipes)
- Cleaning Services
- Laundry Services
- Mental Health Counseling Services
- Lodging

These are just a few examples of ways you might receive assistance, but there are strict guidelines to qualify.

Call 2-1-1 to be screened for qualification and to learn more about this special program.
