WE'RE HIRING!

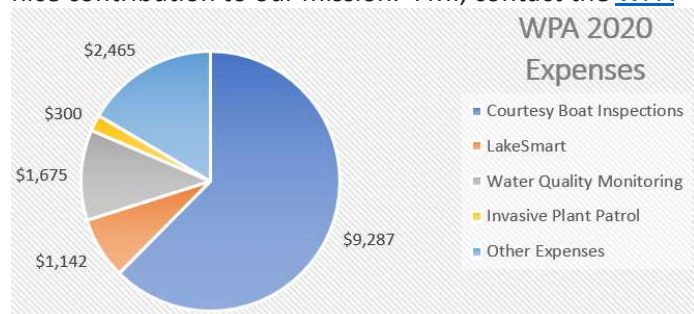

Calling all **Courtesy Boat Inspectors!!** Memorial Day Weekend, May 29-31, is the beginning of CBI season so let's be sure that all boats going into the pond are plant-free. Please contact [Jim Denholm](#) if you are interested in being a courtesy boat inspector this summer. CBI experience is great but not required as on-the-job training is available!

2020 WPA FINANCES BY WANDA PELKEY

The Worthley Pond Association ended 2020 with \$18,140 cash in the bank, which was \$4,500 less than our 2019 year-end balance. This is largely due to the cancellation of the golf tournament, which typically provides half of our annual revenue. Looking forward to this summer, with vaccinations and safety measures in place, the WPA Board is so very hopeful that the golf tournament can again be part of our summer fun . . . and fun-draising!

Please note that most of our expenses relate to our courtesy boat inspection work, which helps keep invasive plants from entering our pond. Increased coverage at the boat and rising minimum wage rates has caused these costs to climb significantly these last few years. Please consider volunteering a few hours this summer, as it's a pleasant way to spend a morning and a nice contribution to our mission. FMI, contact the [WPA](#)
