

"Documenting" Amazing Grace

Dear friends of Amazing Grace,

Thanks to volunteer photographer Bob Walsh, we've been photographically documenting many of the terrific activities local organizations have been doing to benefit our families at Amazing Grace.

We've got photos of food drives at grocery stores, Thanksgiving baskets being assembled and distributed at Fellowship Church, the Amazing Challenge Soup Supper, and much more. Many of these photos have been published in local newspapers - always good publicity for Amazing Grace.

In case our "resident photographer" has a schedule conflict, we need another volunteer photographer or two as backup. You would need to edit as needed and upload photos to be used on the www.svdmiddletown.org website and/or our Facebook page or distributed to the media.

Events are generally scheduled well in advance, so you are able to plan. Bob will be very happy to help you "learn the ropes." You don't need to be a professional, just have a good interest in capturing the moment.

If this is a way you might be willing to help out, please let me know.

And happy new year to all!
