Little Boy Wonder Music / DarkChild Gospel, Recording Artist

- #1 Billboard Artist, three-time Stellar Award® nominated and 2018 ASCAP Rhythm & Soul Music Award recipient, this rising Gospel star is just that... Popin!
- Born & raised in NJ, Popin was a piano protégé by his early teens with a strong influence and liking toward soulful church music, old-school Funk and R&B. The legendary Stevie Wonder nicknamed him the "Little Boy Wonder."
- Experiencing great high's and the lowest of low's in both his life and career, Popin has learned to rely on his faith to help him overcome and bounce back from his struggles, insecurities and rejection. What should have broke him, honestly did. BUT, it also humbled him and made him stronger as he learned how to truly worship during both the good and the bad.
- To date, he's had 6 Top 25 singles on the Billboard Gospel Radio Airplay Chart.
- With songs like "I GOT OUT", "ALL BACK", "STEP IN THE NAME", "SUCH A TIME AS THIS" and "I CAN MAKE IT", he continues to impress with his hit songwriting, sing-able melodies, soulful keyboard skills and undeniable music production.
- His latest worship single, "BEAUTIFUL SAVIOR" featuring Tasha Page-Lockhart is available everywhere digital music is sold. Currently Top 20 and continuing to climb the Billboard Gospel Radio Airplay Chart. Go right now to Apple Music, iTunes or Googleplay and download it! A congregational worship anthem written and produced once again by the power duo, Bryan Popin and AyRon Lewis (Kirk Franklin, Zacardi Cortez, James Fortune).
- With a calling to encourage others through his music, Popin's heart for diversity, culture and bringing people together is unquestionable. An Artist, Musician, Writer, Producer, Influencer, Motivator, Connector and Innovator, are all words that describe him, but if you ask him personally, he is first a husband to the love of his life for 20 years, Susan, and a Dad to 6 incredible children ranging in age from 2 - 21 (3 boys and 3 girls).

* Ladies & Gentlemen, let's get it POP-IN. Please welcome... BRYAN POPIN!
