

Developing our talent pipeline is critical to the continued success of this region. Hosting a festival to celebrate advancement in Science, Technology, Engineering, and Math allows show goers to see, experience, and dream about future careers while interfacing with industries and organizations that can make their dreams a reality. More recently, the 'Arts' where added to the commonly known acronym forming STEAM—because employers understand that creativity and soft skills add vitality to any program, project, or work environment. eSTEAM Sumter, is our way of bridging the gap, shoring up our workforce, talent and highlighting the development and growth of our region. Let's eSTEAM!

Why eSTEAM Sumter?

To esteem is to respect or admire. So, while you are getting 'e'xcited about the Science, Technology, Engineering, Arts and Math festival, you can admire the beauty of this region, feel good about what you're learning and ultimately your eSTEAM will be boosted in Sumter.

When is eSTEAM Sumter?

Saturday, October 2, 2021 from 10:00 AM to 2:00 PM

Where is eSTEAM Sumter?

Downtown Sumter, Main Street

Who needs to attend eSTEAM Sumter?

Everyone – we all use cellphones, have some artistic abilities, budget our finances, drive vehicles, and feel the force of the wind. **STEAM** is everywhere and the fields are growing. Learn about careers and advancements while having tons of fun...for all ages.

Festival Goals

To endorse STEAM related careers and advancements in Sumter and surrounding counties.

Showcase STEAM exhibits and areas of interest for K-12 and secondary education.

Raise awareness and educate students, families, and professionals about STEAM career opportunities in this region.

Cultivate learning through hands-on experiences that promote today's modern manufacturing, technology and science while incorporating the arts.

How did you find out about the Festival? *

- TV
- News article
- Web
- Radio
- Word of mouth
- Other

How many 10x10 foot exhibit spaces do you estimate you will need? (Larger exhibits spaces are usually reserved for Sponsor organizations, but we will quote you a price based on what your needs are. Additional spaces will incur additional costs for your organization.)

Please include a description of your hands on activity. If you do not know what you will be doing yet, please just give an example of activities you have done at past events, or what you may have in mind. You will be notified if your activities and exhibits are very similar in scope to another registered exhibitor. This can be modified and described in more detail at a later date if needed.

Will you have the resources to ensure your exhibit booth is fully staffed throughout the festival? * At least 2 people are recommended.

- Yes
- No

Do you need standard electricity or water for your display? Please specify the electrical wattage required.
