

PROTECTED AREAS DESIGN WORKSHOP QUESTIONNAIRE

November 14, 2013

Name:

Organization or stakeholder description:

Email address:

*This questionnaire is to provide information as to who is interested in working on the protected areas projects and; identify any needed changes to improve project approaches. This is an open process, we want to hear your comments and we appreciate your participation. The group of individuals and organizations choosing to be on a committee and work on the projects will be working with SLS to lead and manage the process of filling protected areas gaps on the FMA.*

Statement 1:

I would like to help lead the process and volunteer to be on a committee.

*Please circle the answer that best describes your response: Yes No Undecided*

Statement 2:

My main interest is in the Red Deer River ESA project. *Please circle the answer that best describes your response: Yes No Undecided*

Statement 3:

My main interest is in designing the passive land base to meet specific ecological objectives and serve as permanent reserves. *Please circle the answer that best describes your response: Yes No Undecided*

Statement 4:

My interest is with both projects. *Please circle the answer that best describes your response: Yes No Undecided*

Statement 5:

I would like to help complete field assessments for the Red Deer River ESA project. *Please circle the answer that best describes your response: Yes No Undecided*

Statement 6:

I would like to help design the inventory and field collection methods for completing field assessments. *Circle the answer that best describes your response: Yes No Undecided*

Statement 7:

I would like to be involved in the mapping of protected areas. *Please circle the answer that best describes your response: Yes No Undecided*

Statement 8:

I would like to help write reports with recommendations regarding protected area survey results. *Please circle the answer that best describes your response:* Yes No Undecided

Statement 9:

How would you like to participate as an interested party with Spray Lake Sawmills to create a protected areas network identified in the Protected Areas Gap Analysis? *Please provide a response.*

Statement 10:

My main interest is in creating protected areas that are located outside of the FMA Regional Assessment Area and I will not be participating with SLS with this project. *Please circle the answer that best describes your response:* Yes No Undecided

Statement 11:

I believe this to be an acceptable process to fill protected areas gaps but don't have the time or resources to support work on the projects. *Please circle the answer that best describes your response:* Yes No Undecided

Statement 12:

I believe this to be a flawed process to fill protected areas gaps and have ideas to improve it, allowing me/my organization to participate. *Please circle the answer that best describes your response:* Yes No Undecided

If you answered yes above, please provide your ideas to improve the process enabling you to participate. *Please provide a narrative to explain how to improve the process and how you would participate:*
