

VETERAN STRATEGIES THAT MAXIMIZE SUCCESS

CIVILIAN BASED LEADERSHIP

Identify common challenges during the re-adjustment to Civilian Life.

Improve transition process through proven techniques that focus on broader work and life balance skills.

Develop Individual Development Plans (IDPs) that will map out leadership strategies.

Learn key strategies how to interpret vacancy announcements and position descriptions.

In this session you will learn how to effectively communicate with those in positions of authority like executives, managers and supervisors.

After this program you will be able to:

- Avoid common resume writing pitfalls and mistakes
- Identify and prepare for your new civilian role
- Established work/life balanced family strategies during transition
- Communicate with confidence and add value to any organization
- Regain the feeling of being in control in a non-military structured environment
