

# VETERAN STRATEGIES THAT MAXIMIZE SUCCESS

## DISCOVERY BASED LEADERSHIP

This results driven program is designed to help future leaders to discover their leadership style through self-exploration.

Learn to identify core components of leadership vision and a sense of direction that will be more effective, improve personal performance and decision making.

Develop leadership processes that will enable others to feel valued, a sense of importance and empowered.

Develop leadership approaches that improve communication with those at all levels.

### After this program you will be able to:

- Understand key performance indicators of your team dynamics
- Start making strategized and informed leadership decisions
- Create a healthier work life balance environment
- Forecast milestones, behaviors and performance indicators that will impact success
- Identify possible opportunities for improvement, advancement and personal growth
