

# COVID-19

## SHOPPING TIPS

### WATCH WHAT YOU TOUCH

#### Disinfect cart and basket handles

Sanitize or use disinfectant wipes to clean cart and basket handles before use.

### WASH YOUR HANDS

#### Don't forget the soap

Wash your hands with soap for at least 20 seconds.

### SHARING IS CARING

#### Be fair, please share

Stockpiling can mean someone may not be able to buy what they desperately need.

### PERSONAL HYGIENE

#### Don't spread germs

Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Don't forget to wash your hands afterward.

### SOCIAL DISTANCING

#### Keep a personal radius

Staying six feet away from others, even in the checkout line, does not make you unfriendly, it makes you considerate.

### LIMIT NONESSENTIAL OUTINGS

#### Consider others

If you or someone you know is more vulnerable, take precautions. Outings, even to a grocery store, could put them at risk. You may bring home more than just groceries.
