

Specialization is our Standard

When your data management and scientific computing projects are complex—and your outcomes are critical—you need a partner with specialized experience and a unique understanding of the demands of science.

General IT Universe

- ✓ **Business Technology Oversight**
 - Level-1
- ✓ **Network Administration**
- ✓ **Enterprise Software Support**
- ✓ **IT Security & DR**
- ✓ **Data Server Setup & Maintenance**
- ✓ **Help Desk Services**

The Right Partner for Computing Projects of all Scale

For 27 years, RCH has provided an unmatched level of specialization designing and deploying cross-functional IT strategies that solve scientific computing challenges for firms of all sizes.

RCH Solutions' Scientific Computing Universe

- ✓ **Cross-functional IT**
 - ✓ **Compute Infrastructure Design & Visualization**
 - ✓ **Cloud Implementation or Evolution**
 - Amazon Web Services
 - Microsoft Azure
 - Google Cloud Platform
 - ✓ **Programming Language Needs**
 - ✓ **Superuser Tools & Management**
 - ✓ **Workflow Best Practices**
 - ✓ **Data Security & Risk Mitigation Solutions**
 - ✓ **Follow-the-sun Managed Services Support Model**
- ✓ **Scientific Domain Application Expertise**
 - Bioinformatics & Genomics
 - Crystallography/Cryo EM
 - Data Science & Analytics
 - Deep Learning & Machine Learning
 - Computational Fluid Dynamics
 - Computational Chemistry + Biology
 - Molecular Dynamics
 - Numerical Analytics
 - Pharmacokinetics
 - Quantum Chemistry

When you partner with RCH, you gain:

Depth & Breadth of Domain Knowledge:

Expertise in both science and technology built through hands-on experience in the R&D community

A Partnership For Success: Our model reimagines staff augmentation, providing comprehensive support with greater results

Individualized Innovation: We deliver cutting-edge solutions to each unique challenge, always

Security & Stability: The structure and experience to solve your challenges, with the agility to adapt with you as you evolve

Discovery is limitless. Explore the potential with RCH by your side.

Are you ready to take the next step?
