## Dear Members

Spring is delightfully here, but this is certainly one for the history books. Please be assured your OCC staff is doing its best under the circumstances to safely continue operations.

Currently, the restaurant is fully staffed. Pick up orders only may be made for lunch between 11 AM and 2 PM; dining orders may be made between 3 and 8 PM. Call in your order and we will bring it to your car, 912-283-7400 ext 2.

The Pro Shop and golf course remain open. Measures are being taken to keep us all safe. Golf carts are sanitized after each use. Handles and surfaces are regularly disinfected. We will keep you updated by email and social media of any changes.

A couple of golf tournaments are on the calendar for April. Information we receive from the sponsors concerning tournament plans will be posted in a timely manner.

We'd like to thank all who came out and participated in the recent OCC Pirate Fest. Thank-you especially to our club members and staff who did the cooking and the organizational and decorative work behind the scenes to make the two-day event a total success. Everyone outdid themselves with costumes and cart decorating!

The staff at OCC appreciates your understanding and cooperation during these uncertain times. We will continue to monitor updates from the World Health Organization, the Centers for Disease Control and Prevention, and other relevant local, state, and federal agencies regarding the situation and take further action as needed. Please be safe.

During these uncharted days ahead, we want to be able to keep you informed on any possible changes in our operations here at OCC. If you are not currently receiving our emails, please email us at [ocnews@atc.cc](mailto:ocnews@atc.cc). It is very important for us to be able to stay in contact with our membership. Please add that address to your email address book to keep it from going to a spam or junk folder.

Follow us on Facebook and Instagram as well for all updates.

Feel free to call 912-283-7400 ext 222 with any questions

Congratulations to Alei Mitchell Flanders and Robbie Williams for winning the Georgia State Golf Association Mixed 4 Ball Championship. This is the first Georgia State Golf Association first place won by Okefenokee Country Club members since the year 2000 when Joe Morton won the State Junior Championship.

The championship was played at the King and Prince Golf Course on Saint Simons Island.

**The most improved lady golfers for the month of February were Liz Williams and Pam Hurst!**  
**Way to go Ladies!!**

**From the Superintendent**

Greeting from Turf Care,  
The golf course is starting to heal from a long winter. With this warmer weather, the greens are getting better, but we will stay aggressive with the cultural practices we have adapted this spring. Greens speeds are going to slow because of the growth that we are trying to achieve. Also, the pin location for #5 will start rotating to the front of the green. Thank you for your support.
