General Information:

- All camps include beverages such as fruit juice, fruit juice spritzers, milk or water.
- Each child will have an apron to wear while they are in the classes.
- Children attending the classes should be dropped off 5 minutes prior to the classes and picked up 5 minutes after the class ends unless other arrangements are made with Nina ahead of time.
- Just in case some of my kid's classes don't fill up, you may want to register for more than one kid's camp to make sure your child can attend at least one of the camps.
- If you do register for more than one class, I will contact you closer to the date of the first class registered for to determine which class you prefer.
