

Nina's Kitchen Gadget Boutique Price List

If you choose to go shopping in my boutique, please take this list with you to the lower level so you can determine the price on each item. You can bring your items to my office to complete your transaction. I like to introduce you to new kitchen gadgets that make cooking and baking more fun . . . and efficient. My prices compare with regular retail and outlet prices, so I appreciate it when you purchase them from me. ☺ And there is no shipping charges!
