

# Twin City Lanes

proudly brings you the 1st Annual

# Ray Longe Memorial Tournament

For more than 50 years Champlain Lanes in Shelburne, VT, established by Raymond Longe, has hosted one of Vermont's most prestigious bowling tournaments: The Champlain International. The tournament was founded by Ray Longe and has been run by the Longe family in its entirety going into its 56th year. With the unfortunate closing of Champlain Lanes after the 2019 season, Caleb Longe, Ray's grandson, hopes to continue this long-standing bowling tradition for years to come at one of Central Vermont's finest bowling facilities: Twin City Lanes, part of Twin City Family Fun Center, also owned and operated by the Longe family. For some, the venue may be farther, for some it may be closer. But for all who decide to continue this great tradition, we thank you and look forward to seeing you.

# TOURNAMENT RULES (TEAM CAPTAINS PLEASE READ)

**1.** The Ray Longe Memorial Tournament shall be conducted under the sanction of the United States Bowling Congress. U.S.B.C. rules govern. All bowlers must be U.S.B.C. members, or must acquire membership through the tournament by paying his or hers dues prior to bowling. Non-members living within the jurisdiction of this association who are not members of another association may enter by paying an unattached membership fee.

**2.** All handicaps will be figured at 90% of the difference between individual average and 230. No handicap may exceed 65 pins. 157 average is max for handicap.

**3.** Any change in line-up must be reported 30 minutes prior to scheduled time of bowling. Teams or individuals failing to appear on lanes, ready to bowl, at scheduled time shall forfeit their entry and fee unless sufficient reason is given. Bowlers shall not leave their lanes until they have completed their three lines. Tardy players will receive 0 for each frame missed.

**4.** All lanes will be randomly assigned by computer. Practice for doubles and singles event shall be 5 minutes before scheduled time — team event shall be 10 minutes before scheduled time (for example the team event at 12:00 pm will start practice at 11:50 pm).

**5.** Should any bowler not be eligible for U.S.B.C. sanction, or should any bowler misrepresent his or hers average in this tournament, he or she automatically disqualifies himself or herself and his or her team from any prize award and forfeits all entry fees.

**6.** All prizes will be returned 100% on a ratio of 1 to 10 in teams, singles and doubles events. All events ratio 1 to 20. All bowlers are automatically entered in both scratch and handicap divisions. If a bowler places in both handicap and scratch positions he or she will receive only the prize with the highest monetary value.

**7.** Ties for any position shall equally divide prize money for all of the positions in which they may be tied.

**8.** Substitutions will be made 1 hour prior to scheduled bowling time.

## 9. The following rules may apply to averages:

**Rule 319** — Bowlers are responsible for verifying his/her own average, whether submitted by the bowler, the team captain or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average. In the case of a team of two or more bowlers, the averages will be combined to determine if the correct total is higher or lower than the submitted total.

Bowlers will use highest USBC 2018-2019 winter average minimum 21 games or more, unless their current average as of January 1, 2020 is 10 pins or higher based on 21 games or more. If no 2018-2019 winter average, a current average of 21 games minimum as of January 1, 2020 shall be used. If no 2018-2019 winter average, a 2019 summer average will be allowed minimum 21 games.

Bowlers with no Ray Longe Memorial Tournament qualifying average 2018-2019 may use 2017-2018 average minimum 21 games.

If any average is from a Challenge league or Challenge pattern it must be reported as such, and will be adjusted as per the USBC conversion chart.

**Rule 319e** — Unless the tournament rules state otherwise, the following applies in a handicap or classified tournament:

**1.** The bowler is responsible for keeping a record of the names, dates, scores, and prize winnings in all tournaments entered in the previous 12 months, including those still running. These include all tournament scores bowled in accordance with the game of American tenpins.

**2.** A bowler shall adjust his/her entering average if, during the 12-month period immediately preceding the time and date of bowling, the bowler's accumulated average for all, but not less than 21 tournament games, exceeds the average to be used for entry by 15 or more pins. In that case, the accumulated average must be used for handicapping or classification purposes.

**a.** A bowler whose tournament scores require an adjustment must submit the adjusted average in writing before the end of the first game in a tournament, unless tournament rules allow for such adjustment to be made within a specified time after bowling.

**b.** Failure to use the adjusted average in accordance with the foregoing is cause for forfeiture of entry fees and prize winnings, and the bowler is subject to suspension of membership in U.S.B.C.

**10.** Multiple participation is as follows: players may roll as many 5-man teams as desired and teams may enter more than once, but not more than 3 players on any team may place more than once in the prize money. In the two man event multiple participation is permitted, but you can only place once with the same partner in the prize list for position standings. Multiple participation is permitted in the singles event but you can only place once in the prize list for position standings. In all instances, when a bowler competes more than once in any event, his first appearance in each event will count toward his all events score. Re-entries will be allowed when space available. Prize list will be adjusted accordingly.

**11. NOTE:** Premature termination of the tournament brought about by war, national emergency or emergency causes relating thereto or therefrom, fires, strikes, lockouts, labor difficulties or other reasons beyond the control of the Ray Longe Memorial Tournament shall cause the foregoing prize schedules to be prorated in accordance with the number of entrants who have bowled in each of the respective events up to the time of termination.

**12.** Within the last 12-month period, anyone who has qualified for a cash and/or merchandise prize in position standings prize list in a tournament, including all-events, special features, special prizes and donated prizes, must give tournament management the following participation for possible average adjustment.

**a.** the name of each tournament in which they have been paid the following prizes, or if not yet paid, in which they qualified for the prize.

1. \$300.00 or more in any event.
2. Total combined prize winnings of \$500.00 or more in any tournament.
3. Total combined prize winnings of \$1,000.00 or more within the last 12 months.

**b.** The amount of the prize.

**c.** The actual score bowled to qualify for the prize.

**d.** The prize position.

Failure to comply with these provisions is a cause for a forfeiture of entry fees and prize winnings.
