

### **New Jersey's EDGRS Nominating Committee**

The New Jersey Department of Education (NJDOE), New Jersey Audubon (NJA), New Jersey Department of Environmental Protection (NJDEP), New Jersey School Boards Association (NJSBA), and the New Jersey Association of School Administrators (NJASA), are the primary leadership organizations in the state that are implementing the Green Ribbon Schools (GRS) program. Their combined efforts, along with many other affiliate groups, actively promote the GRS recognition program to all schools in state. The following core committee also acts as the Nomination Committee to identify up to five schools that the NJDOE will nominate to the US Education Department to receive a GRS award:
