## LION SCOUTS

### Mountain Lion

Learn how to stay safe outdoors while enjoying and respecting nature when on a hike.

### Rumble in the Jungle

Be a jungle animal and play a game; learn how animals communicate.

---

## TIGER SCOUTS

### My Tiger Jungle

Go on a walk with our Naturalist and listen for sounds, discover living things on a 1-foot hike, and identify and learn about two birds at the sanctuary.

### Tigers in the Wild

We'll collect the Cub Scout Six Essentials, and follow the Outdoor Code and the Leave No Trace Principles as we go on a hike to find three plants, animals, or signs of animals.

## WOLF SCOUTS

### Call of the Wild

We'll follow the Outdoor Code and the Leave No Trace Principles on a hike outdoors to look for four animals. Learn how to prepare for the weather and natural disasters.

### Paws on the Path

We'll collect the Cub Scout Six Essentials, and learn how to prepare for the outdoors. Follow the Outdoor Code, Leave No Trace Principles, and the Buddy System as we go on a mile hike looking for two birds, two insects, and two other animals. Find and learn about two other interesting things you've never seen before. Binoculars provided.

---

## BEAR SCOUTS

### Fur, Feathers, and Ferns

Go on a one mile hike with our Naturalist and find evidence of six animals, observe wildlife from a distance and plants close up. Binoculars and magnifiers provided.

## WEBELOS SCOUTS

### Into the Wild

Hike our trails with a Naturalist to watch the wildlife of the sanctuary and learn about their habitat and their place in the food chain. We'll look for birds and learn about NJ "bird highways." Visit a wetland to learn about their important role in nature and how we can protect them.

### Into the Woods

Explore our forest with a naturalist and identify two different groups of trees and four common trees and plants. We'll learn the parts of a tree, look inside a tree, and get an appreciation for all the uses of these important plants.

### Webelos Walkabout

Take a closer look at wildlife on a hike with our Naturalist. Watch for birds and other wild creatures, and learn about their place in the food chain. Learn about bird flyways in NJ. Visit our wetland and see how important they are.
