

VGA COVID-19 release waiver

I am aware that my actions as a parent or legal guardian will also impact the safety of all others in the Victory Gymnastics Academy facilities. We are counting on our parents to help us meet the physical-distancing and hygiene standards recommended by the CDC and the state of Indiana.

1. While parents have always been able to watch, we need to limit the in-person viewing. As we conform to the 6' social distancing standards, we can accommodate 9 adults at one time seated on the benches.
2. We urge our students to wash their hands before class and after class or team practice. Classes may end a few minutes earlier to accommodate this. Hand sanitizer will be offered before class and after class (unless we run out and cannot obtain anymore). Coaches will distribute. Hand sanitizer will be available throughout the gym and waiting areas.
3. Water bottles filled with WATER ONLY will be required for class. Water coolers will not be available and only water will be sold. POP can be purchased by adults for adults only.
4. Once a child enters a class, they will NOT be permitted back into the lobby area.
5. Please DO NOT send your child or yourself if you are not feeling well into the gym. We are offering make ups for classes without restrictions until December 2020.
6. Most importantly.... I am aware that while gymnastics, tumbling, preschool gymnastics, Dragon Quest, and dance are individual sports there are times when incidental contact will occur. Victory Gymnastics Academy is operating in a social and physical distancing environment but even with the best efforts and intentions there will be times when the children will breach the prescribed 6' distancing recommendations. In addition, our teaching and coaching staff will spot (physically assist) when the circumstances require it. Spotting our students and athletes is often necessary in order to teach skills safely, to help athletes perform skills correctly and to prevent injury. I understand and agree that spotting will be a part of the learning process at VGA and I agree to permit my child's teacher and/or coach to physically assist my child when needed. Direct assistance will also be provided in the event of an injury or a hurt, to wipe away tears and to give a fist or elbow bump as needed.
7. I will do my part to help make VGA safe by being respectful of the gym's social distancing policies, insisting that my child wash their hands before entering the gym and when arriving at home, and by supporting our amazing teachers, coaches and customer service support staff as they work hard to provide a safe place to build confidence and grow success

Childs name (s) _____
