American Association of University Women
Northville-Novi

Dear Sponsor,

To advance the mission of AAUW Northville-Novi, our branch, a 501(C)(3), promotes programs and opportunities that empower women and girls to reach their highest potential. Your previous generosity helped:

- students attend the **National Conference for College Women Student Leaders (NCCWSL)**.
- purchase books and or research materials about women in history through the **Remember the Ladies** program for local elementary schools.
- support **local high school scholarships**.
- support **Community College endowments at Oakland County Community College and Schoolcraft College**.
- expose middle school students to careers of women through the **Career Path Day program**.
- helped 2nd and 3rd grade students and parents attend a supplemental reading/math program through the **Let's Read Math** program.
- annual contributions to the **National Education and Legal Advocacy Funds**.

Here is some of our feedback-
