

# *No One Walks Alone*

## 2021 BLACKSTONE VALLEY WALK FOR RECOVERY & *Express Yourself Family Fun Day*

August 24, 2021

Dear Community Member,

The NOWA Recovery Support Center is holding our third annual Blackstone Valley Walk for Recovery, with our "Express Yourself" Family Fun Day on September 18, 2021! We strive to bring hope and awareness to our community and to break the stigma surrounding addiction. Please unite with us to sponsor our event, which will be partially virtual on Zoom, and let NOWA show you how to have fun in recovery!

We will be spotlighting the talents and interests of our members, the lived experience of community members, and support from community leaders. This is a major undertaking which requires the support and sponsorship of community-based institutions and organizations such as yours.

We would be honored to consider your organization as a primary sponsor of this event, with a variety of options available including your organization's name on t-shirts, hands-on involvement on the day of the event, and in-kind donation items that align with our mission and the event's theme. Enclosed is a brochure with some ideas about how you can get involved, as well as tax-deductible donation information.

For questions or additional information, please feel free to email Craig Maxim at [cmaxim@familycontinuity.org](mailto:cmaxim@familycontinuity.org). We appreciate your support and look forward to your participation and sponsorship of the 2021 Blackstone Valley "No One Walks Alone" Walk for Recovery and "Express Yourself" Family Fun Day, an important and worthwhile community endeavor!

Sincerely,

Craig Maxim, LMHC
