

# DOGGY DAYCARE AT BARK HARBOR AND MEWPORT PET RESORT

**\*\*DAYCARE IS DEPENDENT ON WEATHER CONDITIONS, WE DO NOT HAVE AN INDOOR PLAYROOM AND PETS WILL PLAY OUTSIDE DEPENDING ON WEATHER CONDITIONS\*\***

We at Bethel Veterinary Hospital believe in quality dog daycare. Our measure of success is a tired healthy dog who participated in structured social sessions including mentally stimulating games, fun activities, dog play and rest periods. We tailor your dog's day with us based on your dog's needs and wants. Their day may include group off-leash dog play or individual playtimes.

Our off-leash playgroups, comprised of a small number of dog buddies of similar size and play style, are focused on fun and the well-being of your dog. Providing a safe, positive social play experience for your pet is our priority.

For the less social dog, we offer one-on-one playtimes with one of our pet care professionals devoted to doing just what your dog wants to do.

## Common Injuries

Dogs will be dogs. While it is rare, bites and scratches from playing will happen every now and then. We are careful to break up play before it becomes too rough. It is mandatory that all scratches, no matter how big or small, are reported to the owner before the dog goes home.

## Doggie Daycare Health/Vaccinations

I agree that I will not bring my pet to BVH if I am aware of them exhibiting any signs of sneezing, vomiting, diarrhea, coughing, lethargy or any other indication of illness and otherwise certify that, to the best of my knowledge, my dog is in good health. I agree to provide Bethel Veterinary Hospital proof that all of my pet's required vaccinations are current prior to my dog's first arrival day and evidence that they remain current for all subsequent arrivals. Required vaccinations are as follows: Rabies, Distemper, Bordetella and Intestinal Parasite Screening (every 6 months).
