

# JERRY'S KIDS

This last week, when I heard everyone talking about giving to Jerry's Kids, I wondered if they were talking about the Jerry Lewis Muscular Dystrophy Association program. I thought, "Well, it's been a while since I heard about it, but that's nice." Now the real story.

You all know Jan Goebel, a long-time Lacey Sunrise Lions member (Oct 1988). Her husband, Jerry Goebel, was a Sunrise member for many years (Oct 1987 to Feb 2004). From when they first opened in 1987, he taught sixth grade at Pleasant Glade Elementary School in Lacey. Every year, he would "pass his hat" to collect money for needy families at Christmas time. Although he died in 2004, Lacey Sunrise Lions has continued the fundraiser—**Jerry's Kids**—in his remembrance. Because of your generous donations, the school helps around fifty families every Christmas.

TO PARTICIPATE, please send your donation to Lacey Sunrise Lions at P.O. Box 3629, Lacey WA 98509, or go to our website [LaceySunriseLions.org](http://LaceySunriseLions.org) to use a credit card or set up Billpay.
