New Seasonal Subscription Yard Waste Program

If you use more than 7 yard waste stickers per month, the Seasonal Subscription Yard Waste Program could be a better value. With the Seasonal Subscription Yard Waste Program, a 96-gallon Yard Waste-specific cart will be provided and there will be no sticker fees for up to 3 Kraft bags per week outside the cart. Additional bags beyond 3 per week will each require a Service Sticker (\$2.85 each). The Subscription Yard Waste Program is **\$145.00/season**, requiring payment in advance, and runs from April 1 through November 30 each year.

Please call Waste Management at 800-796-9696 if you are interested in signing up for this program.
