

Fire

- Clear everyone away from the fire and gather near the flagpole in front of the main lodge.
- If the fire is in the main lodge, pull the nearest alarm.
- Report all fires to the office. If the fire occurs at night, contact the night watch with the radio at the office.
- Do not, under any circumstances, block any road in SSCC with your car or park in the fire turnouts which are marked "*No Parking*".
- Should there be a major fire, the safest place is *on the lakefront*. *Do not attempt to leave by car*; you will block the road and prevent the arrival of fire equipment.
- Parents, please instruct your children about the information above, and tell them *never* to play with the fire hoses.

Injury

- For minor accidents, bring the victim to the office for first aid. For a major injury or illness, do not move the victim; contact the nearest staff member and report the situation to the office.
- At least one staff member is always on duty. The night watch (10pm-6am) checks in at the office regularly. If you cannot locate the night watch working in the lodge, leave a note at the office with your name, cabin, and problem or use the radio at the front desk to call him.

Water Safety

- Only take boats out during posted hours when boat dock staff is on duty and only take out boats you are comfortable using. If you need help, our staff will assist you.
- Always wear a life jacket.
- Kayaks and funyaks should be kept close to the shore. If you tire or the weather changes, beach the boat, walk back, and tell the boat dock staff where you left the boat.
- Children under 16 years should be accompanied by an adult for use of all boats, except funyaks. Children under 12 years will not be allowed out of the breakwater unless their parents have signed a permission slip at the boathouse.

Altitude

Fallen Leaf Lake is at an altitude of 6,377 feet, which affects many of our guests. To avoid problems, stay well-hydrated and monitor physical exertion any alcohol consumption as the effects of both may be intensified at altitude.

Wildlife

- Bears have been spotted in the Tahoe Basin. If you see a bear, drop any food items you may have, and slowly walk away. Always maintain your distance.
- Avoid all contact with squirrels and chipmunks as they may carry disease.
- Do not store food in your vehicle. Do not attempt to feed wildlife.

General

- Smoking is not permitted inside any SSCC buildings, including your lodging rooms. Fully extinguish and dispose of cigarettes in marked ash cans located on cabin and lodge decks.
- Pets, camping, and recreational vehicles are not permitted.
- The management reserves the right to evict any guest for unacceptable behavior or destruction of property.
- Management is not responsible for lost/damaged articles on SSCC grounds or in the rooms.
- Our environment is very important to us. Please help by conserving water and recycling bottles and cans.
