

**Please join OUR Crew!**

We all know that high school isn't all about books and studying, it is a pathway to athletics offering a fun, healthy way for our students to stay active.

Our Pacifica Mariners Boys and Girls Cross Country team is made up of dedicated, hard-working student athletes who deserve opportunities to achieve success on and off the course. To achieve this, we are reaching out to businesses in the community to help support our program and its dedicated student-athletes on the Cross-Country Team.

We hope you will partner with the Pacifica High School Cross Country program in creating a quality program to promote life, long success, both on and off the course. Please take look at the below sponsorship opportunities; any donation is appreciated!
