The Renaissance Academy
 20 Year Anniversary: 1999-2019

Enrich your child's life this summer by enrolling him/her in The Renaissance Academy's innovative and popular Summer School! This nine-week program opens up your child's world with studies which stimulate creativity and imagination, sharpen concentration, and reinforce and develop skills for the following school year.

The summer months can be a period of exponential growth for students. We hope to nourish and inspire them to take on new challenges, to address both their strengths and weaknesses, and to do this within the context of a joyous learning environment.

We have called our annual summer program *Expression!* for this very purpose - to encourage the unique fulfillment and expression of each student's individual identity and potential.
