## Pet Lodging Addendum

Paw Prints Pet Services is pleased to welcome friendly dogs with nice house manners to join our family in a home setting for pet lodging (also known as dog boarding and daycare). We will have multiple dogs enjoying “camp” so your dog must be social and good with other dogs and people. There are a few more requirements to make sure all dogs have an enjoyable stay.

I agree to and understand the following conditions and terms:

- 🐾 Paw Prints Pet Services makes a subjective decision to accept dogs in our pet lodging care based on a “meet and greet” behavior assessment. It is important that Client is truthful and provides accurate information on the dog’s behavior and health.
- 🐾 Paw Prints Pet Services reserves the right to refuse to accept a pet for any reason, including without limitation if the pet appears to be sick, injured or displaying behavior issues. Please don’t bring your dog if not in good health. It’s not fair to the other visiting dogs!
- 🐾 It is required that all dogs are current on vaccinations in accordance with all laws and regulations and veterinary recommendations. Dogs must be free from contagious disease and pests such as fleas, ticks, mites, and other parasites. If treatment is required while in the care of Paw Prints Pet Services, costs of all purchases and related service fees will be paid by the Client, or fully reimbursed to Paw Prints Pet Services within 14 days.
- 🐾 If your dog becomes ill or injured while in the custody of Paw Prints Pet Services, veterinary treatment will be offered following the terms on the Veterinary Release Agreement.
- 🐾 Due to the social nature of pet lodging, there are associated risks such as aggression or rough play resulting in injury, bites, scratches or communicable infection. Client accepts these risks and releases Paw Prints Pet Services from liability and/or treatment expense.
- 🐾 Dogs may need to be confined for safety or sanitation. Paw Prints does use male belly wraps or doggy diapers if necessary for urinary marking or accidents. There may be an additional fee if extra house cleaning is required from potty accidents or destructive behavior.
- 🐾 All dogs must wear a collar with a current identification tag attached.
- 🐾 Please leave dog beds & toys at home. Paw Prints is not responsible for any lost, stolen or damaged personal items. You will need to bring a collar and/or harness, leash, and enough food for your dog’s stay. It is recommended to provide a few extra food servings in case of travel delays.
- 🐾 Dog drop off and pickups are by appointment only, scheduled between 8 AM and 8 PM. Please be respectful of your appointment time. Otherwise, we may not be available and you will have to reschedule.
- 🐾 Adventures on the Farm - sometimes pet lodging dogs will enjoy a bonus weekend in the country at our farm. They will be off-leash with other dogs in a country environment which brings additional risks. Dogs must be trustworthy off-leash. Client will hold Paw Prints Pet Services harmless from all liability and legal consequences should dog become lost, injured, deceased or otherwise harmed from being off leash.

- 🐾 Remember, it is common for dogs to be tired or lethargic when arriving home. It usually means they had fun and need to catch up on some sleep.
- 🐾 Intact or unaltered adult dogs are accepted on a case by case basis.
- 🐾 A dog will be considered abandoned if there is no contact or explanation from the owner or representatives and if the dog is not picked up within seven days of its scheduled departure date. By default, Paw Prints Pet Services will become the legal owner and guardian of the dog. Paw Prints will, in its sole discretion, determine whether to rehome the dog or relinquish to Animal Control or other animal rescue organization of its choice. Client fully understands and agrees that if the dog is abandoned, there will be no recourse against Paw Prints Pet Services, its agents, owners, and employees, as well as persons involved with the re-home, transportation, or the involved shelter/rescue if unable to retrieve possession of the dog.

**By submitting this request, I agree to all terms as stated above and in the Legal Considerations and Veterinary Release Agreements.**
